

*"Be the change you wish to see in the world"*

*Mahatma Gandhi*

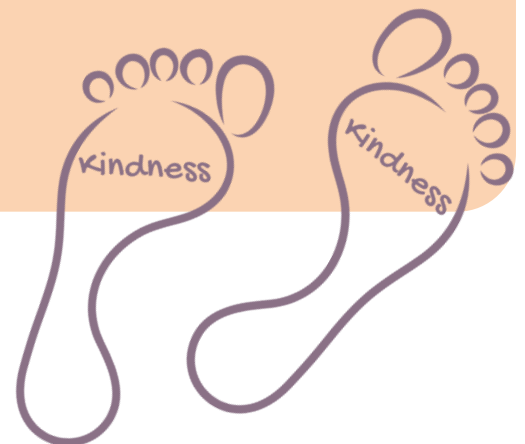

What is it that doesn't work in the world?

Why do you think it doesn't work?

What solutions do you propose?

What is it that does work in the world?

*"Be the change you wish to see in the world"*

*Mahatma Gandhi*

Why do you think it does work?

Is there anything you would do to make it even better?

What changes do you want to see 50 years from now?
